

Website newsletter - summer 2007

It's summer in the valley of the sun and after enjoying a mild winter and a beautiful spring, we are paying for it now. It's HOT, but like they say – some like it hot.

We had a very busy 06/07 season with a record number of traveling RV'ers staying with us for the high resort season. The indications for next year point to an even busier season for 07/08. The deluxe pull-through spaces and new large "ranchita" spaces were very popular, pet spaces were filled, and all of the rental resort homes were rented out. This year we are building 20 more "ranchita" spaces, designating more pet spaces, and we are offering more rental homes to meet the demand but it would be a good idea to reserve early. Our rental homes are already all reserved with a waiting list for next Jan., Feb. and Mar. '08.

Sales of resort homes were brisk again last season with the move-in incentives offered. More and more people are discovering the carefree winter resort lifestyle at Mesa Spirit. Most of the new owners are folks who previously stayed here in their RV for a little while and fell in love with our place and our people. Now they drive the car down at 30 M.P.G. and stay in their fully outfitted resort home. Up to two years of free rent are offered on many of our homes for sale. This fantastic incentive program will be extended until September 1, 2008.

Our whole staff is busy sprucing up the resort and contractors are scurrying around making improvements here and there. There are too many projects to try to list here, besides, I wouldn't want to spoil the surprises when you get back.

We would like to thank all who participated in our survey last season. We appreciate your input and read ALL of your comments. Many of the improvements that were done this summer are a result of your suggestions.

A lot of RV'ers have used our convenient "online reservation system" to book spaces at Mesa Spirit but some of our residents don't even know it exists. If you go to the heading on any page of this website and click on the red sentence **CLICK HERE FOR ONLINE RESERVATIONS** you will go to our reservation site. It is another whole web site for Mesa Spirit and you can tour it by clicking the topics in the BROUSE menu on the left side of the page that comes up. You can just browse without making a reservation so check it out, it's a nice site.

The management and staff would like to wish you all a good summer. Thanks to all who have stayed with us, we appreciate your business. For those who have not stayed with us yet, come on in and get appreciated.

Thank you,
Mesa Spirit staff & management
